**LETTER OF SUPPORT AND CONCERN ON BEHALF OF PLAINTIFF, SHERON B.
DOSS FROM THE LOCAL CHAPTER OF NAACP**

The Nashville Branch of NAACP have been familiar and worked with the Plaintiff, Sheron B. Doss for more than forty years. She, her late husband and her daughter have all served as respected, influential, positive community resources. The Plaintiff possesses a Bachelor's of Science Degree in Social Welfare, Master's Degree in Social Work with Specialization in Administration, Management and Planning and is a Juris Doctor. She has worked with the Public Defender's Office, has worked in private law firms and possesses the highest regards for the law and would have engaged in this litigation without a very belief that a wrong indeed had occurred.

Our review of the facts concludes there are legitimate questions of fairness in the manner in how the defendant's employees in Nashville were supervised. There are questions of training and supervisory skills by possessed by managers regarding the treatment of employees on a fair and equal basis. Further managment overall has

shown disregard for staff complaints of mistreatment and even appears to find it amusing when complaints are documented.

Further nearly a year after the filing of the complaint by the Plaintiff, similar complaints still being lodged by similarly situated employees. Answers are needed.

The Nashville Branch of the NAACP now stands with her and respectfully urges this Honorable Court to thoroughly vet the claims of the Plaintiff through the prism of the law that justice requires.

Respectfully Submitted,

WALTER T. SEARCY
